Notes and Individual Discernment

Capture the "Big Ideas" from the Speaker/Presenter

One Key "Take-Home" or Next Action Step

What is one "Next Step" that could be implemented in your local church that would help your church be more vital?

Who is the person, people, or group you need to communicate with about this learning, take-home, and action step?

Arkansas Conference Trajectory

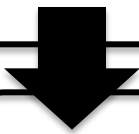

Creating vital congregations that make disciples of Jesus Christ,
who make disciples equipped to transform lives, communities and the world.

Team Discernment & Action Planning

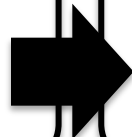

Allow EACH person on the team to share their individual answers from their Notes and Individual Discernment

Based upon the Action Steps suggested by group members, together, create one cohesive Next Step for your local church.

Who is responsible for the Next Step and the deadline for completion?

Who is the accountability partner for the person responsible for the Next Step's completion?
