

Executive Insite Report: 12 Insites, 12 Possible Questions for your Leadership Team

Insite #1: Population & Household Trends:

Is the population in your study area increasing or decreasing? Whether it is stable or changing, what impact does this have on your ministry decisions?

For additional insight on population change, divide the Percent Change by the number of years to find the Annualized Percent Change. For example if the projected population change is 7.8% over the next five years, divide 7.8 (the projected % change) by 5 (the number of years projected) or 1.5% change per year. How does this compare with the Annualized Percent Change for your congregation over the same intervals? What does this say about your ministry? Is the population per household increasing or decreasing? As households change, how does that affect the ministry needs of the area?

Insite #2: Racial & Ethnic Trends:

What does the racial/ethnic distribution of your study area suggest to you? Does the information suggest the need for additional current year detail for the Asian and/or Hispanic/Latino groups? This information is available under the "Diversity" tab in the "Build Your Own Report" section of the Demographics page. The Diversity tab also includes Ancestry and Language spoken at home information.

Consider the percent change of the racial ethnic group that reflects your congregation, as a component of the percent change for the overall population for your area. How might this affect your future missional plans?

Insite #3: Age Trends:

Which phase of life segment(s) is/are the largest and/or growing in your study area? How does your current missional emphasis connect with each group? How does the average age of the people attending worship in your congregation compare with the report area?

Which phase of life segment is smallest or declining? How does this affect your current and future missional priorities? What kind of opportunity does each category suggest such as Before Formal Schooling?

Insite #4: School-Aged Children Trends:

How might these trends impact your various school age ministries? What are the trends for each of the three individual categories?

Are your current children and youth ministries designed to reach and impact these population groups?

Insite #5: Household & Family Income Trends:

What is the economic environment of the report area? What does it suggest regarding the economic resources available for ministry needs? Also see Insite #11 for additional information related to charitable giving.

Which family income categories are projected to grow fastest or decrease the fastest over the next 5 years? How do you perceive this affecting family ministry plans for the future?

What is the Asset/Debt message for this report area?
