Simplified Structure
Core Purpose today is to understand what the Simplified Structure looks like in a local church.

Objectives:

• Review church structures

• Cover the key concepts of the Single Board Model

• Understand the reasons on why and how to transition to this model
Typical Church Structure

The typical church structure is driving the mission versus the mission driving the structure!
Structure = the design and arrangement of tangible factors in time and space.

Forms of Structure:

• Budgets / Finances
• Calendar
• Facility / Buildings
• How Decision are Made
Structure & Changing Generations

Post WWII – Baby Boomers – Gen X – Millennials

The WAY we do church is changing

• Attendance

• Meetings

• Committees to Teams
Problem with most Structures

- Promotes disunity and enables dysfunction
- Clear lines of authority…but no clear lines of accountability
- All responsibility on the pastor, but little or no authority
- Nearly impossible to make difficult and timely decisions
Problem with most Structures

Inward Focus

Hard to win if you’re not in the game
There is another way . . .

Simplified Structure
The alternative structure is based on ¶ 247.2 of the 2012 Book of Discipline:

The charge conference, the district superintendent, and the pastor shall organize and administer the pastoral charge and churches according to the policies and plans herein set forth. When the membership size, program scope, mission resources, or other circumstances so require, the charge conference may, in consultation with and upon the approval of the district superintendent, modify the organizational plans, provided that the provisions of ¶ 243 are observed.
Typical Simplified Structure
9 to 13 members elected by the Charge Conference

Six – nine members
2-3 (PPRC specialists)
2-3 (Trustees specialists)
2-3 (Finance Team specialists)

Board Chair
Lay member to Annual Conference
Lay Leader
UMM rep?
UMW rep?
Youth rep?

    - Simplify
Three Types of Work for a Simplified Structure

1. **Fiduciary** = tending to the stewardship of tangible assets
2. **Strategic** = working to set the congregation’s priorities and seeing that resources are aligned with those priorities
3. **Generative** = problem framing and sense making about the shifting environment of the congregation and community
Simplified Structure

Sets Boundaries

Budgets, policy, goals, oversight, etc…

NOT DAY-TO-DAY OPERATIONS OF THE CHURCH
Two Challenges of a Simplified Structure

1. Management of Communication
2. Decision Making - Accuracy / Effectiveness
New Leadership Agenda

1/3 – Spiritual Formation, Leadership Development, review of new people/families

1/3 – Review goals / Accountability and reallocation of assets

1/3 – Deal with pressing decisions/issues, help groups as needed, problem solving

Annually set goals and evaluate
New Leadership Agenda

Annually

• Set goals
• Evaluate
Single Board Model

Step One – Partner with your District Superintendent

Step Two – Ensure all key leaders have been trained on simplified structure and accountability leadership

Step Three – Communicate, communicate, communicate… and then communicate (what & why) some more!

Step Four – Annual Charge Conference votes to move to new structure with election of members.

Step Five – Move to new structure (if appropriate) with the new year. (Coach highly recommended)

Accountable Leadership
Accountable Leadership

Core Purpose today is to understand what Accountable Leadership looks like in the local church environment.

Objectives:

• Ensure church leaders understand the key concepts of accountability

• Recognize the connection between Mission / Vision / Goals and how they apply to our ministry

• Cover the SIMPLE model for holding others accountable
“Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age”

– Jesus, Matthew 28:19-20
The making of new disciples of Jesus Christ for the transformation of the world.

Accountable Leadership

Do you want the mission to succeed?

“Are you prepared to stake everything, change anything, and do whatever it takes—even if it means altering long familiar habits, redeveloping precious programs, and redeploying sacred assets?”

From the foreword of Winning on Purpose
Basic Options – Church Leadership

- Bureaucratic-Large group Driven
- Autocratic-Driven by one Person
- Committee-Based or Consensus-Driven
- Pastor-Centered or Personality-Driven
- Accountable
Church Leadership

Bureaucratic:
Pastor is expected to accomplish the mission, but has no real power to do so.
Responsibility – Authority = Safe but not Effective

Autocratic:
Pastor is expected to accomplish the mission and has the power to do so…but there are no consequences for not producing fruit.
Responsibility + Authority – Accountability = Effective but not Safe
Committee-Based or Consensus-Driven Leadership

- Decisions are slow – if they happen at all
- Decisions, since consensus is the goal, are not always focused on the mission
- Consensus is often not achieved; instead, compromise is the rule. It becomes better to maintain the relationships than fulfill the mission
Committee-Based or Consensus-Driven Leadership

• There is no one person who can be held accountable for missional objectives

• The role of the pastor and staff as leaders is limited

• The pastor and staff are evaluated by the congregation – power resides with person or group who does the evaluation
Pastor-Centered or Personality-Driven Leadership

• The pastor makes all the major decisions

• Everything revolves around and is dependent upon the pastor

• Decisions are made quickly – sometimes impulsive or unrealistically
Pastor-Centered or Personality-Driven Leadership

• Dissent is not tolerated

• The pastor spends his/her time “putting out fires”

• Laity leaders are evaluated by the pastor and staff

• Congregation feels run-over & disconnected from the ministry of the church
Accountable Leadership

Bureaucratic:
Responsibility – Authority = Safe but not Effective

Autocratic:
Responsibility + Authority – Accountability = Effective but not Safe

Accountable Leadership:
Responsibility + Authority + Accountability = Safe & Effective
Accountable Leadership:
Responsibility: A duty or obligation to satisfactorily perform or complete a task by one person

Authority: The power to give direction and/or make decisions

Accountability: An obligation or willingness to accept responsibility or to account for one's actions

= Safe & Effective
Staff-Led / Mission-Driven Leadership

- Those responsible are accountable
- The mission of the church comes first
- Must have the right people in place to accomplish the mission
- Small number of decision makers – large number of people in ministry
- Shepherding is done by the laity, not the pastor
Staff-Led / Mission-Driven Leadership

- Lots of input – very focused direction
- Pastor evaluates the staff
- Everyone is held accountable for the mission
- Alignment to the mission and vision is critical – not consensus
Accountable Leadership

- **Board/Council** = Role is **governance**
- **Pastor** = Role is **leading**
- **Staff (paid & unpaid)** = Role is **managing**
- **Members** = Role is **ministering**

Accountable Leadership

**Strengths**

1. Marries responsibility and authority with accountability
2. Promotes church unity
3. Functions on a high level of trust
4. Decisions are made very quickly
5. Mission/Vision fulfillment is the driving force…not management (or maintenance)
6. Goals and objectives of ministries can be adjusted as needed

- Spiritual Leader / Shepherd
- Keeper of Mission
- Caster of Vision
- Example of Evangelist
- Chief Fund Raiser
- Main Recruiter

Mission

Our mission is making new disciples of Jesus Christ for the transformation of the world.

Everything flows from mission…
Vision

The unique way a congregation achieves or accomplishes the mission.

The key ingredients of a vision statement need to be outwardly focused, measurable, and provides a framework for goals and accountability for the congregation and staff.

What % of the mission field are you going to reach for Jesus?
